UNIVERSITY of  
**HOUSTON**

**FRESHMAN**

A background image of a university campus. In the foreground, a body of water reflects the sky. Two students are sitting on the grassy bank: a woman on the left is sitting cross-legged and reading a book, and a man on the right is lying down, also reading. In the background, there is a large, light-colored building with many windows, partially obscured by green trees. The scene is bathed in the warm light of late afternoon or early morning.

## When you choose **HOUSTON**, you become a leader.

The University of Houston is a Tier ONE research university, as designated by the Carnegie Foundation. We're on a mission to educate tomorrow's leaders in a learning environment that offers over 38,500 students excellence in the classroom and hands-on leadership development in the community, across the nation and around the globe.

Our approach works. *The Princeton Review* has named UH one of the best colleges in the nation for undergraduates. Our influence is global, as our 260,000 alumni share their knowledge in all corners of the world.

You are now part of a diverse, multicultural student body benefitting from award-winning faculties, immersed in the arts and expanding your mind and opportunities on a vibrant campus. You are one of tomorrow's leaders, because **YOU CHOOSE HOUSTON**.

# UNIVERSITY of HOUSTON

**ACADEMICS**

# YOU CHOOSE HOUSTON.

## What is your next great idea?

You'll discover it and more at 12 UH colleges offering 130 undergraduate majors and minors and 180 graduate study programs.

The University of Houston's dedication to academic excellence is embodied in our **award-winning faculty**. Having been honored with such accolades as the Nobel Peace Prize, the National Medal of Science, the Pulitzer Prize and more, our highly decorated faculty is helping UH students reach their highest level of achievement.

We help you share your great ideas with the world. As a public, comprehensive research university, UH conducts world-class research through more than 40 research centers across every academic department. We also prepare you for the global marketplace by offering a variety of **study abroad programs**. Students can earn credit toward their degree while experiencing new cultures in places such as Asia, Africa, Europe, Latin America and the Middle East.

# ACADEMICS

You will find your path when you choose Houston. UH offers 12 academic colleges to nurture the newest class of leaders. Our programs evolve with the times, events, and issues that impact Houston and the world. We stay current with educational, cultural, scientific and business breakthroughs to ensure our graduates will lead in their careers and their communities.

By combining the advantages of a small college with the resources and diversity of a large university, the **Honors College** serves the needs of our most gifted students through specialized guidance, academic flexibility and personal instruction. Regardless of their college or major, students have the opportunity to enhance their studies in this challenging forum.

## Architecture

The internationally recognized **Gerald D. Hines College of Architecture** is dedicated to the power of design to shape lives. Students learn in studio-based curricula that includes Texas' first program in industrial and product design and the world's first graduate program in space architecture.

## Business

The **C.T. Bauer College of Business** is ranked among the nation's best business schools by *The Princeton Review*, 2011. Nearly 2,000 companies recruit Bauer graduates every year for a reason: We cultivate the world's best business leaders.

## Education

The **College of Education** is nationally recognized for its award-winning programs, research and strategic solutions to educational challenges at every level. We are shaping the next generation of leaders in teaching, administration, counseling and research.

## Engineering

The **Cullen College of Engineering** is among the top 100 engineering undergraduate and graduate programs in the nation, according to *U.S. News & World Report*, 2010. We graduate leaders from astronauts to National Academy of Engineering members.

## Hotel & Restaurant Management

Choose your hospitality career from anywhere in the world with a management degree from one of the top hospitality programs in the world, and one of the top three in the nation. The **Conrad N. Hilton College of Hotel and Restaurant Management** offers great facilities and a small student body with a strong sense of community.

## Liberal Arts & Social Sciences

The **College of Liberal Arts and Social Sciences** (CLASS) embraces creative and performing arts, humanities and social sciences to form the heart of the university in rhythm with excellence. The college is home to the Blaffer Art Museum and Cynthia Woods Mitchell Center for the Arts.

Your journey begins when  
**YOU CHOOSE HOUSTON.**

## Natural Sciences & Mathematics

From alternative energy sources to geophysics to new software, the **College of Natural Sciences and Mathematics** is a research powerhouse in the physical and biological sciences, computer science and mathematics.

## Pharmacy

With the Texas Medical Center as a major partner, the **College of Pharmacy** offers students access to the finest research available and the opportunity to collaborate with The Medical Center institutions.

## Technology

Cutting edge research and breakthrough applications are the signature of the **College of Technology**, where students build the analytical and practical expertise needed to excel in the field of technology.

# Graduate Studies

## Law

The Tier One **Law Center** is one of only eight public law schools with three or more nationally recognized programs. The Law Center combines merit, distinction and diversity in the nation's fourth largest city and offers the resources of one of the world's largest legal markets.

## Optometry

The **College of Optometry** is internationally recognized for its vision research and is home to the University Eye Center which serves 40,000 Houston area residents a year.

## Social Work

Critical thinking partnered with vigorous research and ethical practice develops leaders in social work. The **Graduate College of Social Work** is nationally recognized for educating professionals in those combined areas. The college's two study paths are clinical practice and working with communities and organizations in MACRO practice.

**CAMPUS LIFE**

# Get active. Stay balanced. Achieve your best. **CHOOSE HOUSTON.**

The University of Houston is the ideal place for students to discover the perfect balance of inspiring academic opportunities, active social interaction and fun cultural events.

*Leaders connect with each other.* The University of Houston advises and trains students leading campus organizations and opens the door for students looking for the right organization through the **Center for Involvement**. Organizations range in focus from campus traditions to students' interests and hobbies to honors and academics. And if you don't find an organization that fits your needs, we'll help you start one.

*Leaders make life-long friends.* Our **fraternities and sororities** offer opportunities to connect with your peers at campus events, celebrations and projects. On-campus Greek housing allows fraternity and sorority members to experience brotherhood and sisterhood while living within walking distance to the UH campus.

*Leaders develop their strength.* The **Department of Campus Recreation** provides aquatics, intramural sports, fitness, open recreation, outdoor adventure and sport clubs to all of our students. Amenities include a 53-foot climbing wall, a 70-meter indoor pool, sauna and whirlpool, as well as five multipurpose courts to play the games of your choice.

# Because you want **Tier One** quality of life, **CHOOSE HOUSTON.**

## The Place

The University of Houston campus is located on 668 park-like acres, lush with mature trees, gardens and lawns winding through one of the best public art collections outside of downtown Houston. We take our green commitment beyond the physical beauty of the campus. The Sustainability Task Force and Green UH lead the effort to educate and promote green policies and practices throughout the campus, involving students, faculty and staff in preserving our resources. *The Princeton Review* named us one of the most environmentally responsible universities in the nation.

Step inside our buildings and you'll discover world-class facilities, high-tech laboratories and expansive libraries. More additions and renovations are underway and will contribute to our learning environment for the next generation.

## The People

The University of Houston is the second most ethnically diverse campus in the United States, with students from 127 countries and from cities across the nation. Our scope of students and cultures not only distinguishes UH nationally, it enhances your campus experience.

Whether you're an athlete, an artist, a young scientist or a social media prodigy, you will meet others who share your dreams when you CHOOSE HOUSTON.

## The Life

Make the most of your college experience by living in the center of everything happening on campus. Every year, more than 6,000 students enjoy a safe, communal learning environment and an unmatched proximity to the best services UH offers.

Walk to football games or meet friends for a bite to eat at the University Center. Exercise your mind in one of the MD Anderson Library's 24-hour study areas or work out your body in the Campus Recreation and Wellness Center.

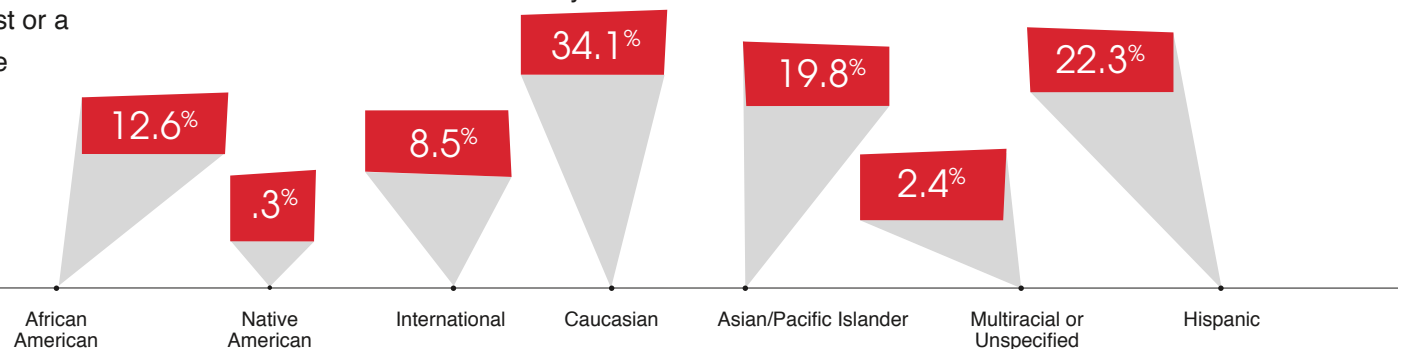

Choose from seven different residential communities; choose your perfect place and nestle into life on campus.

## The City

Houston, the fourth largest city in the country, is also the nation's energy capital beyond the oil and gas industry. A vibrant arts scene, from the symphony and live concerts to art museums and award-winning outdoor murals, swirls through the city. Restaurants offer every cuisine imaginable. Best of all, this global business hub offers opportunities for internships and fieldwork in every area. Our students CHOOSE HOUSTON.

# LEGACY

## Our History

First founded in 1927, our school officially became the University of Houston in 1934. Two years later, the institution acquired the land for a permanent campus and by 1939, opened its first building. Since then, UH has developed a series of deep-rooted traditions that continue to thrive today.

## Our Traditions

### Shasta

Shasta is the official mascot of the Houston Cougars. Between 1947 and 1989, five live cougars served as mascots. Since Shasta V's death in 1989, students have carried on the tradition.

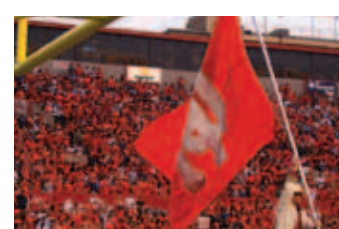

### The Cougar Sign

Made by folding the ring finger of the right hand toward the palm and covering it with the thumb, the Cougar Sign dates back to 1953, when Shasta I lost a toe in a cage door on her way to a game. The opposing team mocked UH by imitating the cougar's injury. After a staggering victory against the same team a few years later, the Cougars adopted that gesture as a symbol of school pride.

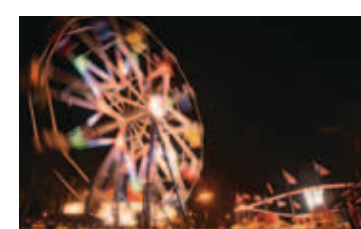

### Scarlet Red and Albino White

The colors of Sam Houston's ancestor, Sir Hugh, serve as UH's official colors. The red stands for courage and inner strength to face the unknown, while the white stands for the good of helping one's fellow man.

### Homecoming

Each year, students, faculty, staff and alumni pack Robertson Stadium and flow through the streets of campus for a weekend of football and festivities in celebration of the University of Houston's Homecoming. At UH there is also a full week of activities preceding the actual homecoming weekend which includes pep rallies, homecoming court announcements and concerts, not to mention the tailgating, the homecoming parade and the live Cougars on game day.

### Frontier Fiesta

Frontier Fiesta is an annual student-run, student-led festival hosted by UH, featuring concerts, carnival booths, multicultural events and cook-offs. After its debut in 1940, the national LIFE magazine dubbed it "The Greatest College Show on Earth." It still is. Come for the fun of it and support scholarship and community.

Words of achievement in old and new languages fill the walls and windows as you build our legacy. **CHOOSE HOUSTON.**

# You are ready for the next step. **CHOOSE HOUSTON.**

## Costs of Education

The greatest investments are those you make in yourself, especially when it comes to education. Your costs to attend the University of Houston depend on an array of factors, including state residency, program of study and number of semester hours you're planning to take.

Below are estimated resident and non-resident costs for full-time undergraduate study for an entire academic year. Costs do not take any financial aid into account.

## Resident Tuition & Fees

Yearly total for full-time students

Tuition and fees:	\$9,211
Room and board:	\$9,800*
<b>Annual total:</b>	<b>\$19,011</b>

## Non-Resident Tuition & Fees

Yearly total for full-time students

Tuition and fees:	\$14,913
Room and board:	\$9,800*
<b>Annual total:</b>	<b>\$24,713</b>

\*Price reflects off-campus living costs. For on-campus pricing, visit [www.housing.uh.edu](http://www.housing.uh.edu).

## Financial Aid

The University of Houston believes that everyone deserves the opportunity to pursue an education. That's why we offer a wide array of financial aid packages such as grants, loans and work study programs to help students invest in their future.

That said, funds are limited, and the financial aid process can take up to six weeks, so planning ahead is crucial. Learn more at [uh.edu/financial/undergraduate/how-apply](http://uh.edu/financial/undergraduate/how-apply).

We know that the financial aid process can be confusing, but we're here to help. For more information, or to set up a visit with a financial aid Advisor, visit [uh.edu/financial](http://uh.edu/financial).

## Graduation Pledge

The Graduation Pledge is designed to encourage first-time college students to reach their graduation goals in four years. Pledge Waivers reward students monetarily for maintaining steady enrollment while remaining in good academic standing.
